

CHADRON PUBLIC SCHOOLS BOARD OF EDUCATION

Workshop Meeting
September 25, 2011 at 4:30 PM
Central Office Board Room

The primary purpose of this workshop meeting is to allow pre-selected architectural/engineering firms to present their renovation proposals for the four district school buildings to the Board of Education. No action will be taken during this meeting.

September 25, 2011 at 7:00 PM
High School Auditorium

A public presentation by the architectural/engineering firms will occur at 7:00 pm in the High School Auditorium. Attendees will be asked to cast a written vote for the firm they feel is the best fit for the school district. The public is invited to attend.
